- Rural: 5 ft min. to bottom of sign.
- Lateral: 6–12 ft from edge of traveled way.
- Sheeting: high-intensity or diamond-grade retroreflective.

Notes

The G13-1(CA) Historical Landmark is a California MUTCD sign. Official depiction: Caltrans CA Sign Chart, 2014 Revision 3 (Sheet 9). It is shown on the chart as Brown historical-landmark sign with tan/beige interior panel, brown border and an ornamental brown top scallop containin; the CA MUTCD cross-reference table lists this code without a separate legend title. No standalone Caltrans specification drawing is published for this sign. Verify final size, placement, legend, and retroreflective sheeting against the current CA MUTCD, Caltrans Sign

Specifications
